Dress Code

The dress code for hospitality facilities at Anfield Stadium is smart casual to ensure a formal atmosphere.

As Anfield offers elite Liverpool hospitality services, why not look the part? Avid Liverpool FC supporters will be glad to know that they can still deck out in your favourite team's jerseys; however, you will be expected to maintain formal attire to reflect the sophisticated hospitality suites.

Anfield hospitality facilities permit:

- Smart jeans
- Smart footwear
- Home supporter jersey's/replica football shirts

Hospitality guests are not permitted to wear ripped denim or tracksuits. In addition to this, please be aware that if you are arriving at The Beautiful Game, there is a smart casual dress code where trainers, football shirts and tracksuits are not permitted.

Getting to Anfield

Bus

Bus is fast frequent and convenient with 'express' services that will get you to and from Anfield and Liverpool City Centre in around 15mins.

The 917 is operating from Commutation Row in the City Centre. Fans can use the return service from Walton Lane after the match.

Other services are available:

From Liverpool City Centre, take the 26 from Liverpool ONE bus station, 17 from Queen Square Bus Station or the 917 from St Johns Lane, directly to the ground. The 68/168, which operates between Bootle and Aigburth, and the 14 and 19 (from Queen Square) stop a short walk away from the ground.

The Soccerbus runs from Sandhills Station, on the Merseyrail Northern Line, to Anfield for all Premier League and cup matches. The Soccerbus runs two hours before each match (last bus from Sandhills Station is approximately 15 minutes before kick-off)

Train

If you're travelling from outside the Liverpool area:

Lime Street Railway Station is Liverpool's mainline station for regional and national journeys. It is two miles from Anfield and taxis are also available at the station.

If you're travelling within the Liverpool area:

Merseyrail operates regular services across 67 stations throughout Merseyside. Passengers can get regular services into Liverpool from Ellesmere Port, Chester, West Kirby and New Brighton on the Wirral Line and Southport, Ormskirk, Kirkby and Hunts Cross on the Northern Line. Take advantage of park and ride. A number of Merseyrail stations have car parks.

Passengers living in South Liverpool can get the Southport to Hunts Cross service which calls at Brunswick, St Michael's, Aigburth, Cressington, Liverpool South parkway and Hunts Cross. Those using Soccerbus can get a Southport/Hunts Cross train to and from Sandhills

Taxi

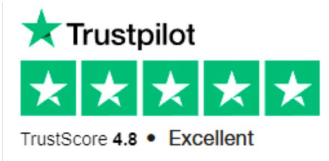

Taxis from the city centre to Anfield usually cost between £7-£9.

Taxi One operates a taxibus service from Commutation Row, Liverpool city centre direct to Anfield from £2.50 per person. A frequent service operates from 3.5 hours prior to kick off. Please note that there is no return service to the city centre.

Car

Car parking - We strongly advise the use of public transport. A limited number of official LFC car parking spaces are available within walking distance of the Stadium however, all spaces must be pre-booked in advance – there will be no spaces available to purchase on the day.

If you're unable to pre-book a space in one of the official car parks, there are a number of City Centre pay and display car parks that operate 24/7
