Shuttle Buses

The stadium currently provides a free pre-booked shuttle bus service, which is accessible and available for all supporters. This service provides a high capacity, high frequency service between the stadium and Alexandra Palace (Great Northern Services) and Wood Green (Piccadilly Line) stations.

Coach

Tottenham Hotspur operate a Regional Coach Service - in association with Big Green Coach, the Official Transport Supplier of Tottenham Hotspur - to help fans get to and from the stadium on a matchday.

Coach services run from a range of towns in supporter heartlands,

Return coach tickets start from £17 with child discounts available.

Coach travel season tickets for all home Premier League matches start at £289.

All coaches are timed to arrive at the coach park two hours prior to kick-off and depart 45 minutes after full time (or as soon as they are full).

Car

Driving is not advised. A large Controlled Parking Zone (CPZ) is in operation and the roads surrounding the stadium are generally closed before, during and immediately after a match.

There is no parking available for general admission fans at the stadium.

The road closures also mean that, if you choose to travel by car, you will not be able to exit any car parking facility within the road closure area for one hour after the final whistle.

Therefore, in most cases, we discourage fans from driving to the stadium, so please explore your public transport options before travelling.

Taxi

Matchday road closures prevent spectators from being dropped-off or picked-up close to the stadium. If you need to use a taxi or private hire vehicle, we recommend you are dropped-off and / or picked-up at least a 10 minute walk (0.5m) away from the stadium.
