# Dress Code

**The dress code within hospitality areas at Goodwood is smart casual.**

Although not compulsory, the vast majority of Revival visitors dress in period style with many going to great lengths to achieve that authentic look.

The resulting step-back-in-time spectacle plays a key role in making the Revival such a unique event.

We ask that your sartorial choices are made with care. Guests are discouraged from making controversial uniforms and culturally appropriated items a part of their Revival looks.

Everyone should feel welcome and respected at Revival; Goodwood therefore reserves the right to ask visitors who are inappropriately attired to leave the event.

# Opening Times

Gates open to the general public at 0830hrs, and open to GRRC Members and Fellows at 0730hrs.

The action on the circuit commences at 0845hrs on each day of the event.

Car parks are free and open at 0700hrs.

While the main site closes around 1900hrs, bars and many other areas Over the Road stay open until 2200hrs on Friday and Saturday, and 2100hrs on Sunday.

Last orders will be called approximately 30 minutes before closing time.
