Getting to Twickenham Stadium

Car

From M25, exit at J12 onto M3. This becomes the A316, and Twickenham Stadium is off the Whitton Road roundabout next to the Lexus / Toyota car dealership. From London, turn right off the A316 at Whitton Road roundabout.

Please do leave additional time if you are arriving at the stadium during peak travel hours as the A316 can be busy during this time.

Ultra Low Emission Zone

The ULEZ is expanding across all London boroughs from 29th August 2023. The ULEZ is a government initiative to help clear London's air and improve public health. The expansion will include TW2 and areas leading to Twickenham Stadium.

If you drive anywhere within the ULEZ, including the expanded area from 29th August 2023, and your vehicle does not meet the emissions standards, you could face a daily charge of £12.50.
