Eventmasters Rugby-themed Midlands Sporting Luncheon returns to Birmingham's **Macdonald Burlington Hotel** in December 2023.

It is an ideal opportunity for a company **Christmas party** or to entertain the Rugby fans among your important clients with tales from **Rugby legends**.

We will confirm our Guest of Honour later in 2023; Brian O'Driscoll, the Irish and British & Irish Lions International, was an excellent guest in 2022, following on the tradition of the biggest names in rugby being present at what we believe is the No 1 Sporting Luncheon in the UK.

It is no surprise that the event attracts such high demand, previous guests include Dylan Hartley, Mike Tindall MBE and Sam Warburton MBE.

You can also enjoy a delicious **four course luncheon**, all whilst raising money for some **great charitable causes**.
